Re: Proposed Surface Water Management Fees for 2011

The Greater Maple Valley Unincorporated Area Council (GMVUAC) requests your Budget and Fiscal Management Committee not consider a \$32 increase in Surface Water Management (SMW) fees for single-family residential properties for 2011. Our concern deals with the poor economy and the impacts on families in unincorporated King County.

Sincerely,

Steve Hiester (hies_skel@hotmail.com)
