

## Letter to King County Executive — Pacific Raceways Ordinance

September 8, 2011

King County Executive Constantine,

We are writing with regards to the proposed new Ordinance (amending Ordinance 10870) to establish a special "Pilot" or "Demonstration" project for Pacific Raceways. We see no need for the proposed Ordinance, as it appears DDES' existing Special-Use Permit process is sufficient to the task.

In addition, we are deeply concerned about the precedent any new Ordinance could set and its attendant effects across the Rural Area of the County.

We urge you to take our concerns under consideration. Thank you.
