Public Comment Period:

Bonnie Curran updated GMVUAC regarding the noise issue from wedding party business next door to her home. Mrs. Curran informed us she lost the TUP hearing. Also, DPER is no longer requiring the business to monitor the noise level of the parties. Mrs. Curran will keep us informed of ongoing situation

Guest Speakers:

John Taylor and Tricia Davis of King County DNR gave presentation regarding managing polluted storm water generated by rainfall runoff from land and impervious areas (streets, parking lots, building rooftops) that could adversely affect water quality. Later this year King County Council will be looking at any potential changes to SWM fees. Any fee changes would take effect in 2017. Current fees paid by unincorporated citizens are \$25 million a year total. In 2013 fee was \$171.00 per property. The fee was previously \$133.00 per property.
