A member of the Area Council for 16 years. Educated at Lehigh University (PA). BSCE and MSCE with major in Structural Engineering. Twenty-four years experience at Boeing as a Principal Engineer and Project Manager. Married, no children. Involved in local and county community issues and likes to garden, hike, and read.

LarKen Buchanan (Resides in the River Heights Community Area)

GMVUAC Environment Committee Chair. Resident of the same piece of property all but 3 years of my life when I lived in Fairwood. I have attended all 13 years at Tahoma, graduating from Tahoma High School in 1982. Graduated GRCC in 1986. Attended U of W and received certificate of Project Management. Have worked for the Boeing Company since 1985. Married my soul mate (Ken) in 1994. I enjoy the outdoors, especially when it involves animals – especially equines. I really enjoy helping make my community a better place in which to live, work, and play. I volunteer for the Return to Renton car show to raise funds for at-risk kids in the Renton School District. I wanted to be a part of my community in which I live, so I volunteer my time for the GMVUAC.

Hobart

Lorraine Blacklock

GMVUAC Public Relations Committee Vice Chair. 24-year resident of Maple Valley. I was born and raised in the southwest, where I attended International Business College. My husband, Wally, and I moved to the Seattle area in 1989. Wally and I have been married 36 years and have one son, who is now in college. Due to the nature of my husband's job we have lived in England, France and Germany. I am a member of Sequoia Baptist Church of Kent and am part of the church leadership team. I also serve as church clerk. I love DIY, especially when it involves tools!

Warren Iverson

CHRISTIAN. Lifelong resident of Hobart. Tahoma school graduate and UW School of Business. Owner and operator of Hobart Food Market; own and operate a Hobart cattle farm with my brother since early 70s. Founding member of the GMVUAC and also a founding member of the Cedar County movement. I am active in RURAL Rights and issues including septic rules and water wells, about which I am very passionate as they affect how we will live in the RURAL Area. I strongly support the ability to build one house on one vacant legal lot but I do not support subdivisions or 4 to 1 projects in the RURAL Area.

Andy McDonald

Interim GMVUAC Vice Chair. Retired military. Owns and operates Fearless Pups Canine Behavior Consulting located in Maple Valley.

Luke Hansen

GMVUAC Growth Management Committee Vice Chair. Lifetime resident of unincorporated King County, growing up on Tiger Mountain; moved to Maple Valley in 2011, and have been in Hobart since 2014. Married to my wife, Sena, for five years and we have a very young daughter. For the last seven years, I have worked with in-home respiratory equipment with a focus on sleep medicine; currently working as an equipment coordinator for a large medical clinic in Seattle. I am looking forward to contributing to the community where I live. I enjoy yard work and home projects, while spending time with family and friends.

Ravensdale

Susan Harvey

GMVUAC Transportation Committee Chair. 37-year resident of Ravensdale. Born in Seattle, grew up in Renton. A member of the Area Council for 9 years. Attended Whitman College, Louisiana State University, Oregon State University, and have an MBA from City University. Retired after nearly thirty years' experience working at Boeing Commercial Airplanes as a Procurement Agent, Internal Procurement Auditor, and Facilitator. Have two sons; one resides in Ravensdale, the other in Spokane Valley. Involved in community issues and likes to travel, garden, and swim.

Rhys A. Sterling (Resides in the Hobart Community Area)

Interim GMVUAC Recording Secretary; former GMVUAC Vice Chair; and former Bylaws, Environment, and Public Relations Committees' Chair. Farm boy from Oneida, NY. Moved to Washington in 1971. Resident of Hobart since 1988. Married (Joyce) with two adult children (Adam and Mary), and one brand new grandchild, Connor. Educated at Clarkson College of Technology, Potsdam, NY (BSChE); University of Washington, Seattle, WA (MSE); Gonzaga University School of Law, Spokane, WA (JD). Professional Engineer (Civil, 1976) and Attorney at Law (1983). Employed by Washington State Department of Ecology from 1972-79 as Sanitary Engineer and District Supervisor in Eastern Washington. Currently a pharmacist at University of Washington Medical Center. Two adult children who attended Tahoma School District. Past involvement with Girl Scouts, Marauders with the Maple Valley Soccer Association, and community volunteer on several task force groups for the Tahoma School District.

Hendrick (Hank) Haynes

GMVUAC Economic Committee Chair. Pacific NW resident of about 60 years. U.S. Army veteran, and University educated (8+ years @ Highline CC, WWU, and UW). Work experience includes U. S. Army (Supply), Vista (Community Services), Exxon Corp. (Energy), Boeing MR&D (Research), Wolfpak Marine Corp. (Water Jet Marine Propulsion), MSE Corp. (Transportation Energy Management Systems), and real estate broker. Entrepreneur starting four companies, including marine products design and manufacturing, and as to which he holds several patents. Currently semi-retired but still active business owner developing marine products. Senior Vice Commander of DAV unit, and volunteer Honor Guard at the Tahoma Veterans Cemetery. Interested in promoting business opportunities in and compatible with the rural area.

Bob Keller

Moved to the Spring Lake area (W Spring Lake Drive SE) with his wife in 1996, from Wallingford to escape the urban environment. Retired from a career in commercial photography and event, exhibit, and trade show production. My wife and I enjoy gardening, hiking and eating (cooking); and I now fill in my time repairing clocks. I am concerned about growth around unincorporated King County, especially as it affects the quality of life that brought us here.
