III. AMENDMENTS TO COMPREHENSIVE PLAN POLICY OR TEXT, OR DEVELOPMENT REGULATIONS	
Requested Change	KC Council to prepare and publish responses to Public Comments it receives on the KC Executive's proposed KCCP Update.
Why amendment is needed or useful?	Responses currently prepared and published by KC Executive's Office on the <i>Public Review Drafts (PRDs)</i> have proven helpful to the Public. Currently, after the Public provides comments on the Executive's proposed KCCP (sent to the KC Council on 10/1), the KC Council reviews them prior to finalizing and approving the KCCP Update by 6/30 of the next year—a 9-mo review period, which provides plenty of time to issue responses to Public comments. Currently, the KC Council does <u>not</u> publish its responses to the Public comments it receives. Consequently, at this point, we believe the KC Council should publish its responses to better close the cycle and meet its obligations of its KCCP Update <i>Public Participation Program</i> .
How is this amendment consistent with the Growth Management Act?	The GMA calls for a clear, rigorous, and continuous Comprehensive Plan Update <i>Public Participation Program</i> . Public comment/Government response cycles are critical to achieving same.

Background on King County Docket Process

The Docket process responds to the requirements of the Growth Management Act at **36.70A.470** and is codified at King County Code **Title 20.18.107** and **.140**. Docketing means compiling and maintaining a list of suggested changes to the comprehensive plan or development regulations in a manner that ensures suggested changes are considered by the county and are available for review by the public.

The docket is open continuously, and on the **last business day of December**, the items registered in the previous twelve months are compiled into the **Docket Report for release on the last business day in April** to the King County Council. There is **no fee** for submitting the docket form.
