Background on King County Docket Process

The Docket process responds to the requirements of the Growth Management Act at **36.70A.470** and is codified at King County Code **Title 20.18.107** and **.140**. Docketing means compiling and maintaining a list of suggested changes to the comprehensive plan or development regulations in a manner that ensures suggested changes are considered by the county and are available for review by the public.

The docket is open continuously, and on the **last business day of December**, the items registered in the previous twelve months are compiled into the **Docket Report for release on the last business day in April** to the King County Council. There is **no fee** for submitting the docket form. To download this form electronically or learn more about the Docket Process, visit: <http://www.kingcounty.gov/compplan/>
