Honorable Councilman Dunn, Mr. Baker, and Mr. Lee,

We want to express our deep appreciation and thanks to all of you for your efforts and success in brokering an agreement related to the parcel along the Cedar River on which Lakeside Industries had proposed building an Asphalt Facility.

After working on this issue as early as 2004 (potential zoning changes), we are happy you have worked towards an amicable solution for a future park. We see this as a win-win-win.

Your actions are greatly appreciated by all who seek to keep the Rural Area rural.

Thank you, again.
